

KNOW YOUR TOOLS

Ask a skilled church member to introduce three common hand tools.

• Easy One hour

 Foundation 7 · Optional starting path

01 · PREPARE

GET READY

WHAT YOU'LL NEED

- Three hand tools selected by your instructor
- Scrap material or another safe practice surface
- Eye protection or other protection specified by your instructor

ARRANGE YOUR HELP

Skilled Church Member · Arrange this challenge with a skilled church member. Ask for instruction, observation, and feedback appropriate to your age and experience.

No prior challenge required.

02 · LEARN

WHY THIS MATTERS

Develop practical competence through careful work and wise care of creation.

- Read Ecclesiastes 9:10 in context. Discuss how it connects with this challenge.
- Ask your skilled church member to explain or model the skill before you practice.

“Whatsoever thy hand findeth to do, do it with thy might;”

Ecclesiastes 9:10 · KJV · excerpt

REQUIREMENTS

1. Ask a skilled church member to introduce three common hand tools.
2. Explain safe use and storage before handling each tool.
3. Practice a simple task under observation.

☰ COMPLETION CHECKLIST

☐	Ask a skilled church member to introduce three common hand tools.
☐	Explain safe use and storage before handling each tool.
☐	Practice a simple task under observation.
☐	Complete the final demonstration and request feedback.

Participant: _____ Date: _____

📺 FINAL DEMONSTRATION

Demonstrate correct handling and return the tools safely.

✍ SIGN-OFF

A skilled church member should observe or discuss the final demonstration and confirm that the requirements were met. This prototype records readiness only; it does not record an authorized sign-off.

Observer: _____ Signature: _____

ADULT GUIDE

Use this alongside the participant instructions. Your church determines who may sign off.

BEFORE YOU MEET

- Read the requirements with the participant and agree on the scope: Ask a skilled church member to introduce three common hand tools.
- Confirm appropriate supervision, supplies, and a realistic time to meet.

WHAT TO OBSERVE

- Demonstrate correct handling and return the tools safely.
- Look for understanding, care for others, and willingness to receive correction—not speed alone.

QUESTIONS TO DISCUSS

- What did you learn, and where did you need help?
- How does the Scripture connect to the choices you made?
- Who could benefit from this skill, and how could you help them?

READINESS CRITERIA

- The participant has carried out the agreed requirements: Explain safe use and storage before handling each tool.
- Demonstrate correct handling and return the tools safely.
- The participant can explain their choices and respond to feedback. If more practice is needed, agree on a specific next step.

Agree on one way the participant could serve someone with this skill. When appropriate, invite them to explain or model a step for someone else under guidance.

CHURCH INVOLVEMENT

Skilled Church Member

Arrange this challenge with a skilled church member. Ask for instruction, observation, and feedback appropriate to your age and experience.
